

Check out what some of our lovely Star Pawformers have to say.....

I would never have believed Otto would be able to learn so many things
- Chris & Otto

Both myself and my dog have grown in confidence with Kates help, she really takes the time to know the individual dog and how they learn -
Charlotte & Arlo

Thanks to Kates training sessions, patience, understanding & encouragement I now have a dog who is my companion at home, on country and town walks, the occasional outdoor market trip and quite a few pub lunches where she will happily perform a few tricks - Jane & Elsa

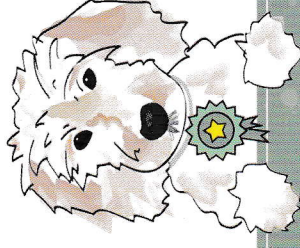

We asked Kate to help us with Asha from when she was 11 weeks with a 1:1.....GAME CHANGER! It was like the dog whisperer came in!! I'm not quite sure how we would have coped without Kate's incredible knowledge and her humour - Shelley & Asha

Kate is just amazing with dogs and our lab adores her. Her advice is spot on and her approach is so calm and reassuring. Wouldn't trust anyone else - Jane and Juke

Amazing instructor, patient, kind and truly loves dogs - Sally & Tillie

Rocco's focus has improved so much, we have fun, meet lovely dogs and people and make new friends - kate is always supportive and encouraging, highly recommended - Susie & Rocco

What can I say, Kate is an amazingly patient experienced dog trainer. Not only has she helped me train my own 3 dogs (2 spaniels and a terrier!) but she also helps train the therapy dogs for Creative Action Team CIC. As a therapist delivering animal assisted therapies, her input and versatility has been invaluable to the team I work in. I wouldn't recommend or indeed train my dogs with anyone else! - Sheli, Tuco, Leo, Daisy & the CAT team.
